Dear Subscriber,

VirginiaTech Webmail Admin will NEVER send e-mail asking for your password! We are NOT asking people to verify their e-mail account.

VirginiaTech Webmail Admin has been receiving complaints of unauthorized use of the e-mail system, with a reference to the above mentioned instances. As a result, we are making an extra security check on all accounts in order to protect their information from theft, fraud and further unauthorized usage

Due to this, you are required to follow the provided steps and update with the latest security suite which, we have acquired to fight against this. All Users and Accounts are subject to this change. [Click Here](#) and login to update your account.

Thank you for using VirginiaTech Webmail Service!
