Subject: Security Warning: UPS Email Alert
Date: Friday, March 04, 2011 10:05:41 AM
Importance: High

Hello again CNRE,

In case you haven't already heard from other sources there is an email making its way into people's inbox's claiming to be from UPS. If you get one of these just delete it and whatever you do, do not open the attachment as it is a Trojan and will install nasties onto your computer. Lon.
