

IDStorage Share Access Request Form

(Please return completed and signed form to CNRE-IT in 216 Cheatham Hall)

By default all users must be added to the IDStorage Users group which will grant them read only access to the root folder only.

Using the boxes below select the desired level of access.

- IDStorage Admins (read/write throughout the entire share)
- IDStorage1 Data Admins (read/write access to the Data folder)
- IDStorage1 Data Users (read only access to the Data folder)
- IDStorage1 Private Admins (read/write access to the Private folder)
- IDStorage1 Private Users (read only access to the Private folder)
- IDStorage1 Students Admins (read/write access to the Students folder)
- IDStorage1 Students Users (read only access to the root of the Students folder – no subfolders)
- IDStorage1 Visitors Admins (read/write access to the Visitors folder)
- IDStorage1 Visitors Users (read only to the root of the Visitors folder – no subfolders)
