Good morning CNRE,

This is an FYI note for anyone still using "VT Survey" instead of "Virginia Tech Qualtrics" for your surveying needs.

I briefly looked at the instructions on moving any old survey results over from VT Survey and they didn't look to be very intuitive so if you have a need for this just send an email to CNREHelpDesk@vt.edu and one of us will get back with you.

Lon

To better meet the survey needs of the Virginia Tech community, we recommend you use Virginia Tech Qualtrics . You can start developing new or transitioning your existing surveys over now.
The outdated survey.vt.edu application will be decommissioned on December 31, 2016. Once the server is shut down, you will no longer be able to create new surveys nor access old survey data. Be sure to download any survey data you wish to keep.
